We are pleased to be able add Frankie's Mission to our list of charities in recognition of your ongoing support for cancer families, and Sweet Sally Sunshine and the Kabel family in particular. An equal contribution is being sent to the Childrens Cancer Association which provides similar support for cancer families here in Portland.

This 2014 donation is proudly presented by the Buffalo Bills Fans of Portland, a group of, more than 150 Oregonians, mostly all ex-pats from Buffalo our other Western New York communities. We gather for each game at the Cheerful Bullpen and cheer for our hometown team, win or lose.

We raise charity funds through weekly raffles of Bills apparel & accessories and are pleased to be able to include Frankie's Mission this year. Our check for \$350.00 is enclosed.
